Scientific Agenda / Agenda scientifique

Canadian Institute for Military

ICRSMV

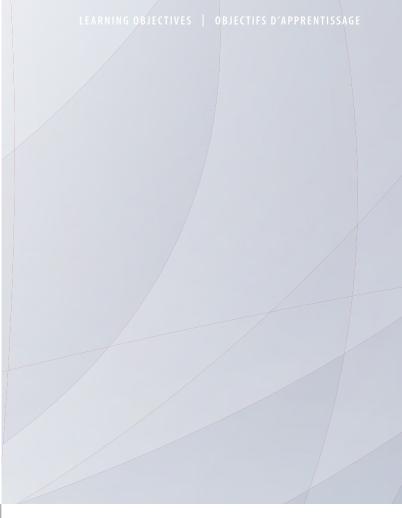

L'Institut canadien de recherche sur la santé des militaires et des vétérans

Learning Objectives

One of CIMVHR Forum's main outcomes is effective knowledge translation. This is evidenced by the relevance of the research conducted and the application of knowledge generated. At the conference, presentations and keynote speakers will target a large variety of interested parties, including academia, military members and Veterans, industry, policy makers, and health care providers. More specifically, the conference's learning objectives are the following:

- To provide education and increased awareness relating to the health and wellness of military personnel, Veterans, public safety personnel and their families.
- To support researchers, health professionals, government officials, not-for-profit agencies and industry partners as they work to create real and sustainable impacts on these populations' health and well-being by facilitating networking and research team building.
- To increase awareness of existing research programs, best practices and policies that focus on the health of military personnel, Veterans, public safety personnel and their families.

Objectifs d'apprentissage

L'un des principaux objectifs du Forum ICRSMV est la mobilisation efficace des connaissances. Cela se traduit par la pertinence de la recherche et l'application des connaissances générées. Lors de la conférence, les présentations et les conférencier(ère)s d'honneur s'adresseront à un large éventail de parties intéressées, notamment : le monde universitaire, les militaires et les vétérans, l'industrie, le secteur public et privé, ainsi que les fournisseurs de soins de santé. Plus précisément, les objectifs d'apprentissage de la conférence sont les suivants :

- Fournir une éducation et une sensibilisation accrue concernant la santé et le bien-être du personnel militaire, des vétérans, du personnel de la sécurité publique et de leurs familles.
- Soutenir les chercheur(se)s, les professionnels de la santé, les responsables gouvernementaux, les organismes à but non lucratif et les partenaires industriels dans leurs efforts pour créer des impacts réels et durables sur la santé et le bien-être de ces populations en facilitant le réseautage et la constitution d'équipes de recherche.
- Faire connaître les programmes de recherche existants, les meilleures pratiques et les politiques axées sur la santé des militaires, des vétérans, des agents de la sécurité publique et de leurs proches.

Scientific Agenda / Agenda scientifique

Sunday, October 15 / Dimanche, 15 octobre

12:00PM-9:00

REGISTRATION OPENS / TABLE D'INSCRIPTIONS OUVERTE

12h00 à 21h00 Location / Lieu: 3rd floor foyer of Palais des congrès near the elevators / Foyer du Palais des congrès au 3e étage,

près des ascenseurs

6:30-9:00PM 18h30 à 21h00 WELCOME NETWORKING RECEPTION / RÉCEPTION DE BIENVENUE ET DE RÉSEAUTAGE

CIMVHR FORUM DAY 1 ENDS / FIN DU JOUR 1 DU FORUM ICRSMV

6:00PM

18h00

6:30-8:30 18h00 à 20h30

CIMVHR STUDENT AND POSTDOCTORAL ENGAGEMENT COMMITTEE NETWORKING EVENT

The CIMVHR SPEC invites all trainees (students and postdocs) to join them for a night of networking at the Canadian Museum of History. This evening will be an opportunity to get to know one another, learn about various CIMVHR SPEC activities, and create connections with experts in the field who may have opportunities for further learning and mentorship.

ÉVÉNEMENT DE RÉSEAUTAGE DU COMITÉ MECP DE L'ICRSMV

Cet événement social sera l'occasion pour les étudiant(e)s et les chercheur(e)s post-doctoraux(ales) participant au Forum ICRSMV 2023 de faire connaissance, d'en apprendre davantage sur les diverses activités étudiantes en cours à l'ICRSMV et de créer des liens avec des collègues, des professeur(e)s et des scientifiques du gouvernement qui pourraient avoir des possibilités d'apprentissage et de mentorat. Ceux qui ont un intérêt de recherche dans la santé et le bien-être des militaires, des vétéran(e)s, de leurs proches et du personnel de sécurité publique, devraient prévoir d'y assister.

Location / Lieu: Canadian Museum of History / Musée canadien de l'histoire

All participants must wear their CIMVHR Forum badge to enter the venue. / Veuillez noter que tous les participants doivent présenter leur badge du Forum ICRSMV pour entrer sur le site.
