SESSION PRESENTATION AND ROOM INFORMATION

- Please **arrive at your presentation room 10 minutes in advance** of the session start time. When you arrive, please seek out the moderator, who will be at the front of the room near the podium. Kindly introduce yourself as one of the presenters and take your seat at the front of the room where there will be **“Reserved for Presenter”** seating.
- All PowerPoint presentations will be loaded onto the laptop at the podium in advance of the session. **You will not be permitted to use your own laptop or USB device.** Your session moderator will set up your presentation for you. Presentations loaded on the laptop are identified by presenter name and session number and title: **(E.g., BlogginsB_1A03_Title_21OCT26).**
- The podium has a microphone, laptop and clicker.
- For your convenience, there will be a session volunteer sitting in the front row keeping time. The timekeeper will prompt you at 3 minutes and 1 minute to wrap up. You are welcome to use your own timekeeping device for your convenience. Your presentation shall be 15 minutes with a 5 minute question and answer period immediately following your presentation (20 minutes total). Please be courteous to your fellow presenters and do not go over your allocated time.
- During your presentation, where applicable, please keep the audience in mind. At CIMVHR Forum, you will be sharing your research with researchers, government partners, healthcare providers, and people with lived experience.

AUDIO VISUAL RECORDINGS OF YOUR PRESENTATION AND CONFLICT OF INTEREST

- Should you wish NOT to have your presentation recorded or photographed, you must state this at the beginning of your presentation.
- You must **verbally** notify the audience of any real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of the program. This should be done while you are moving through your disclosure slides.

ANTI-HARASSMENT POLICY

CIMVHR Forum provides a harassment-free conference experience for everyone. Conference participants acting in a harassing way to organizers or other attendees may be sanctioned or expelled from the conference without a refund at the discretion of the organizing committee.
